Instructional Strategies for Serving Students with Mild/Moderate Disabilities

PRESENTERS: Facilitated by Expatiate Communications

DATE: Monday, November 9, 2020

TIME: 1:00pm – 3:00pm

LOCATION: Virtual

FORMAT: To replace the face-to-face instructional training, those registered will receive an instructional video via a padlet link to view at their convenience in preparation for the live Question & Answer Session. Attendees will have the opportunity to gain clarity in a question and answer session. The Q&A session will be open for 2 hours to answer all questions and is a drop-in format, so attendees can join at any time during the 2-hour window.

INTENDED AUDIENCE: Special Education, General Education Staff, and Administrators who have some Students with Mild/Moderate Disabilities in their Schools/Classes or Beginning Special Education Teachers.

OUTCOMES/LEARNING OBJECTIVES:

- Participants will examine the principles of Universal Design for Learning
- Participants will review the difference between adaptations and modifications and when to use which.
- Participants will discern how to incorporate Assistive Technology into the instruction when needed.
- Participants will discover methods and strategies for teaching content areas.
