

# Inclusive Education for Students with Mild-Moderate Disabilities

*Sponsored by*

The Greater Los Angeles Area SELPAs (GLAAS)  
Professional Development Workgroup and the Los  
Angeles County Office of Education

**Presenter:** Nicole Ward, M.A., Education Specialist  
Diagnostic Center South, California Department of Education

**Date:** Tuesday, October 25, 2022

**Time:** 8:00 a.m. - 8:30 a.m.— Registration/Coffee  
8:30 a.m. - 2:30 p.m.— Workshop

**Place:** Los Angeles County Office of Education  
9300 Imperial Hwy, Downey, CA 90242

**Content:** This training will focus on inclusive education and the best practices for educating students with mild to moderate disabilities in inclusive settings. Topics discussed will focus on how to utilize research-based practices to develop and implement programs that encourage learning and growth for all students, including, but not limited to: inclusive education program models, effective planning and collaboration, identifying the demands within the learning environment, understanding each individual learner needs, accommodations versus modifications, differentiation and universal design.

**Intended Audience:** Ideal audience will include multidisciplinary teams working with students with mild-moderate disabilities in inclusive settings, however, individual professionals will also benefit. This includes both site and district administrators, special education teachers, general education teachers, school psychologists, speech-language pathologists, occupational therapists, and paraeducators.

**Outcomes:** Participants will:

1. Increase awareness of the various working models for implementing inclusive education.
2. Learn how to identify and then reduce or remove barriers that may hinder learning.
3. Understand how to use research-based practices to support positive outcomes for students and staff.

**Registration Deadline: October 17, 2022**

There are only 40 spaces available – FIRST COME, FIRST SERVED!

Your place will be reserved unless notified.

## COVID-19 Guidance on In-Person Meetings and Events on LACOE Campuses for Students, Staff and Visitors

This guidance applies to all individuals, including but not limited to employees, students, contractors, and visitors.

### Vaccinations/Masks/Daily COVID-19 Screening Survey

- Irrespective of vaccination status, it is strongly recommended that attendees **wear a high-grade or surgical mask when indoors.**
- Attendees at indoor events who are not LACOE employees must show proof of:
  - **Being fully vaccinated, or**
  - **A negative COVID-19 test.** The test must have been conducted in the last 1 day for an antigen test, or 2 days for a PCR test.

(Note that LACOE employees meet the above requirement as part of their employment at LACOE).

Note [Vaccine Record Verification Guidelines](#) may be used to verify vaccination status; in such instance, self-attestation will not be accepted.

Visitors aged 18 and older may be required to provide identification that confirms that they are the person presenting proof of COVID vaccination or negative test result before entering an indoor event/meeting venue.

- All attendees at indoor meetings/events must take the **Daily COVID-19 Screening Survey** provided by LACOE online (available via Staff Portal, daily emails and QR Codes at the receptionist's desk).
